Understanding the Book of Revelation led Gary Simons (September 8 - November 24)

Have you ever wondered what God's plan is for the end of time? We find God's plan in the Apostle John's Book on Revelation. But for many, since the Book of Revelation contains passages on imagery and symbols, it can confuse us. There are wonderful passages of great beauty and comfort, while other passages are bizarre, bewildering and sometimes straight up frightening! Beginning September 8, we will be discussing and working through Revelation using Bruce M. Metzger's book *Breaking the Code: Understanding the Book of Revelation*.

Faith and Family Night with the Arizona Diamondbacks—September 13, 2019
